## Methodist Episcopal Church Notes

Sunday, June 15th

Morning worship, 10.45 a. m.

Sunday school, 12.00.

Junior League at 4 p. m.

On Friday afternoon there will be a business meeting of the Woman's Alliance at the church at 3 o'clock, followed by a social afternoon. Each member is requested to bring lunch.

The morning service Sunday consisted of the annual Children's Day exercises, which were very pleasing. The pastor spoke briefly and the remainder of the service, including the music, was by the children. The church was decorated with ferns and potted plants.

Sunday evening the baccalaureate sermon to the class of 1919 of Barton academy was preached by Rev. M. A. Turner, who spoke interestingly and profitably, using as his text two passages, Prov. 4:5, "Get wisdom, get understanding, forget it not," and Job 28:28, "Behold, the fear of the Lord, that is wisdom, and to depart from evil is understanding." Mrs. Webster played Melody in F by Rubinstein, to which the class sang is sung and the choir sang, "Lord, Thy Glory Fills the Heaven," by Sheldon.

The regular choir was augmented by ten high school girls, and members of the high school served as ushers. The class colors, maroon and gold, and the class motto, "Forward," formed part of the decorations.

A very pleasant meeting of the W. C. T. U. was held with Mrs. W. W. Reiden on Tuesday afternoon with ten members and two visitors present. The meeting opened with scripture reading and prayer by Mrs. Barron; roll call, your favorite flower; reading, "Why I Am a White Ribboner."

## FARM BUREAU NOTES

Farm Bureau Membership Campaign in Full Swing.

Progress in the membership campaign for the Orleans County Farm Bureau is reported to be encouraging, and every effort is being made by the chairmen of the various communities to cover all the territory so that every one in Orleans county can have an opportunity to join the Farm Bureau. From the hard work that is being put into this campaign in the various communities it would seem that 1000 members could be reached very easily.

District Meetings.

District meetings held at West Charleston, Troy and South Albany were fairly well attended. A good number of committee members attended these meetings besides a large number of other people interested in the work of the Farm Bureau. Miss Sarah Pettit of Washington, Miss Charlotte Pierpont and J. E. Carrigan of Burlington, told of the work of the Farm Bureau in the state of Vermont and in the northern and western states of the United States. It is hard to realize at times that in being a member of the Orleans County Farm Bureau one is a member of a vast organization which in time will include the largest part of the men and women in the rural districts of the United States. The work of the Farm Bureau of the United States is yet in its infancy.

Egg Circles.

At a recent meeting in Lowell, better marketing of eggs was discussed by Prof. A. L. Smith of Burlington and as a result Mrs. Guy Kinsley was chosen as chairman of a committee to look up the interest in the organization of egg circles.

At a similar meeting in Glover, Mrs. H. S. Clark was chosen to look up the interest in the organization of an egg circle in Glover.

Thrift and Savings Notes.

Charles S. Parker of Montgomery, who has completed a four weeks' course in the school for field secretaries who are to engage in war savings' work in the New England states, has returned home from Boston and will take up active work in Orleans county as a part of his territory.

The field secretaries' school, which was attended by about 35 young men through the cooperation of Dean Lord was attended by about 35 young men and women. There were three men from Vermont, viz., Mr. Parker, John
